

Opere che arredano

Pensata per chi cerca una porta elegante per arredare i propri ambienti con il sapore unico del legno e la garanzia di un sistema strutturale tecnologicamente avanzato. Le elevate prestazioni costruttive conferite dalla struttura in legno listellare dell'imbotte e dall'anta tamburata rivestita in essenza, rendono le porte della collezione OTELLO affidabili, con un alto valore estetico, funzionale e di durabilità nel tempo.

*Works of art
Designed for those seeking a stylish door to furnish your environments with the unique flavor of the wood, and the guarantee of a structural system technologically advanced. The high performance construction conferred by the structure made of wood strips and intrados by leaf hollow covered in essence, make the doors of the collection OTELLO reliable, with a high aesthetic, functional and durability.*

*Des créations qui habillent
Conçu pour ceux qui cherchent une porte de style de fournir vos environnements avec la saveur unique du bois, et la garantie d'un système structurel avancés technologiquement. La construction de haute performance conféré par la structure faite de bandes de bois et intrados par feuille creuse couverte en substance, faire les portes de la collection OTELLO fiable, avec une grande durabilité et esthétique, fonctionnelle.*
