

Delicata armonia

Delicata armonia

Il design elegante e raffinato incontra la tecnologia. La struttura in legno listellare dell'imbotte e l'anta tamburata conferiscono alla linea BUTTERFLY elevate prestazioni costruttive che insieme al design delle incisioni e alla texture delle laccature fanno di questa linea un oggetto prezioso e funzionale.

Delicate harmony

The sleek and elegant design meets technology. The structure made of wood strips intrados and the paneled door lend the line BUTTERFLY high performance building that together with the design of the incisions and the texture of the lacquer make this line a precious and functional.

Délicate harmonie

Le design épuré et élégant rencontre la technologie. La structure faite de bandes de bois intrados et la porte lambrissée prêtent le BUTTERFLY bâtiment de haute performance de la ligne qui, avec la conception des incisions et la texture de la laque faire cette ligne un précieux et fonctionnel.

Interni Coordinati

Armonia ed eleganza sono alla base del concetto proposto da OTC DOORS per coordinare la porta blindata con il resto delle porte interne, grazie alla possibilità di avere il pannello interno, porte tuttovetro, coprifili e battiscopa delle stesse finiture della collezione BUTTERFLY.

Harmony and elegance are the basis of the concept proposed by OTC DOORS to coordinate the security door with the rest of the internal doors, thanks to the possibility of having the internal panel, all glass doors, backlining and skirting of the same finishes as the BUTTERFLY collection.

L'harmonie et l'élégance sont à la base du concept proposé par OTC DOORS pour coordonner la porte blindée avec le reste des portes intérieures, grâce à la possibilité d'avoir le panneau intérieur, portes tout en verre, cache-fils et plinthe des mêmes finitions que la collection BUTTERFLY.
